

I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food. I request that the agency's current policies be changed, and I support all the points in docket #00P-121NCP1.

- (Additional Personal Comments:)

Commissioner Jane Henney : 45
Docket No. 00P-1211 CPT
FDA Dockets Management Branch
(HFA-305)
5630 Fishers Lane, Room 1061
Rockville MD 20852

As a vegetarian, I'd like to know that my food is Animal-DNA free, and I'd like to be assured that food allergies wouldn't be hidden with the advent of CRISPR foods.
